

Access to Royal Oak Pub and Parking.

Location:

The pub is on the town centre outskirts, heading out towards Wigan Infirmary. It is about 10 minutes walk from the bus station, straight down the main Standishgate shopping street from Market Place, straight across the dual carriageway (Northway) and then the pub is about 100m up on the right hand side.

To drive to the pub, please note there is NO RIGHT TURN into this road from Northway/Powell St. From most directions, the best access from town is up Central Park Way, from the main Tesco traffic lights, in direction of the Infirmary and Standish, then take the first turn on left at top of hill, alongside the Millstone Pub. (From opposite direction, this is the right turn shortly after a pelican crossing, 500m beyond the infirmary). The pub is then on left, just below St Mary's RC Church.

View of pub, also showing entry to footpath that leads down to the old Central Park area, now the Tesco Car Park.

(111-133 Standishgate, Wigan, WN1 1XL)

Parking:

Paid parking is available in the street the pub sits on (Standishgate), payable by phone call or by 'PayByPhone' parking app if you have that installed and configured. £3 for two hours, location number 84393

Alternately, park on the big Tesco extra car park for free, and follow a footpath up from near the fuel station. A slope or steps lead down from near the Central Park Rugby Ball statue, then turn right and walk up a narrow ginnel. But please note free parking duration limits here - a strict limit of 2 hours, no return within 1 hour, monitored by entry/exit cameras, with a £70 fine.

To park for longer at Tesco, if you wanted to combine joining us at the pub with doing other town centre stuff, longer paid stays are possible via web payment at <https://www.yourparkingspace.co.uk/>, or YourParkingSpace app, for location ID 11225
